

YOUR IMPACT

A Year of Progress + Possibility

Fiscal Year: July 1, 2023 – June 30, 2024

EARLY INTERVENTION ★

193 children benefited from individualized services designed to nurture development, build confidence, and empower families during the most critical early years.

100% shared positive changes in their development.

FAMILY SUPPORT ♥

54 families received guidance and resources through individual services and fun family events - helping families navigate challenges, celebrate milestones, and build connections.

227 hours of one-on-one support for families.

GRADS ✈️

34 children participated in the Group Recreational and Developmental Support (GRADS) program, forming friendships, gaining independence, and exploring their world through fun, inclusive activities.

1,400 hours of trips and adventures including San Francisco!

VISION SCREENING 🕶️

6,651 children were screened through our Vision Screening Program, giving families and educators critical early insights to support healthy development and learning.

699 children referred to an eye doctor.

MEET FRANNY

Franny's world is bigger and bolder than her family ever imagined—she's hiking, skiing, climbing, and cycling, all with joy and grit. Through GRADS, she's grown into a confident, capable young person who embraces every challenge with resilience.

Her story is a powerful reminder of what children can do when they're given the space and support to grow and explore.

Every new experience Franny embraces is fueled by the kindness, care, and belief of this incredible community—and that includes YOU.

FROM THE EXECUTIVE DIRECTOR

Thanks to your support, 2024 was filled with meaningful growth at DGCKids. Your generosity helped children build confidence, joy, and connection from early intervention to youth programs.

In April, we hosted our first **Celebration for Sight** at Faust Park, welcoming over 250 children, families, and alumni for a free, fun, and an inclusive day of carousel rides, adaptive sports, and more!

Our **Tandem Adventurers** program also expanded with new riders. As a volunteer Tandem Captain, Hugh shared: “Every mile pedaled is a moment of freedom and confidence for these kids—and I’m just honored to be part of it.”

Andrew O'Dell
Executive Director, DGCKids

Thank **YOU** for helping us build this momentum.

VOLUNTEERS

1,243 hours, that's how much time our volunteers contributed. Whether leading tandem rides, planning events, or offering behind-the-scenes support, or serving on our board, they brought energy, care, and commitment to every corner of DGCKids. Thank you to our incredible volunteers for sharing their time, talent, and energy.

Volunteers help make milestones and mission moments at DGCKids possible!

AUDITED FINANCIALS

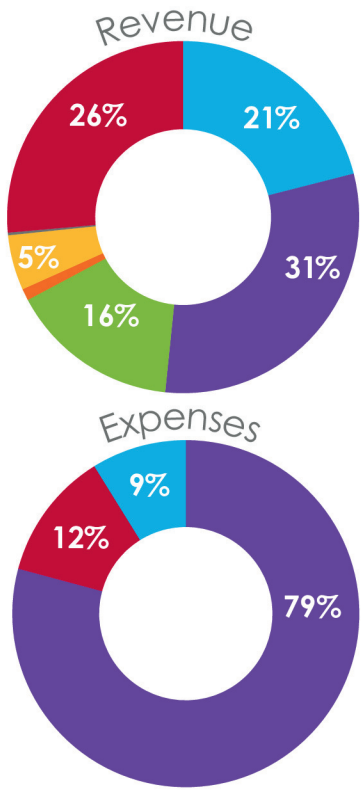

79¢ of every dollar goes directly to DGCKids programs and services.

Operating Revenue **\$2,047,181**

● Contributions.....	\$626,490
