Event Support Volunteer

About DGCKids

DGCKids helps children who are blind or have a visual impairment build the skills, confidence, and connections to thrive alongside their families and community. We're one of only three organizations in Missouri focused solely on this work, and the only nonprofit in St. Louis supporting them and their families from birth through high school graduation.

DGCKids hosts a variety of family and fundraising events throughout the year to support our mission and volunteers are essential to creating a welcoming and organized experience for our guests. Annual events include:

Family Events

- Ice Skating – March
- DGCKids Night at the Magic House – June
- Sensory Night at DGCKids – July
- Pumpkin Patch – September
- Celebration for Sight – October
- Holiday Party – December

Fundraising Events

- Shining Light Gala – April
- Holiday House Dinner + Auction – December

What You'll Be Doing

As an Event Support volunteer, you'll play a key role in helping events run smoothly. Tasks will vary depending on the event, but may include:

- Event set-up and clean-up
- Guest check-in and registration
- Activity stations and games
- Serving refreshments
- Answering guest questions
- Creating a fun and inclusive atmosphere

Please Note Each event will have its own signup form with specific times, roles, and instructions. When you register as an Event Support volunteer, you'll be added to our email list to receive invitations for upcoming opportunities. You can choose to sign up for the events and roles that fit your interests and availability.
